

SHRIYADITTA SHINDE

Pune, Maharashtra | shriyaditta@gmail.com | +91-9834007194 | [LinkedIn](#)

PROFILE

Computer Engineering student with a genuine interest in software engineering and applied AI, drawn to building practical, well-engineered systems end-to-end. Reliable, detail-oriented, and eager to contribute to a fast-paced engineering team while continuing to grow as a developer.

EDUCATION

Indira College of Engineering and Management, Pune Sep 2024 -- Jul 2028
B.Tech in Computer Engineering | CGPA: 8.36
Honors: Applied Intelligent Systems -- Agentic Automation (Tokenization, LLMs, RAG Systems, Agentic AI)
Minor in Business Management (Business Fundamentals, Marketing, Accounting)

TECHNICAL SKILLS

Languages: C++, Python, Java, JavaScript, C
CS Fundamentals: Data Structures & Algorithms, OOP, DBMS, Operating Systems, Computer Networks
AI / GenAI: LLMs, RAG, Agentic AI, Prompt Engineering
Backend & Web: REST APIs, MERN, HTML, CSS
Tools: Git, GitHub, Figma

PROJECTS

ClauseIQ -- AI Contract Intelligence & Legal Risk Radar
Python, LLMs, RAG, Streamlit, Groq API

- Built an AI-powered contract analysis system for leases, NDAs, and freelancer contracts to flag liability clauses, non-standard penalties, and potential legal risks.
- Designed document processing around semantic chunking to handle long contracts within LLM/API token and context limits.

[Live demo](#)

Campus Connect -- Campus Discovery & Peer Collaboration Platform
Figma, Data Modeling, Product Architecture

- Designed a student collaboration platform to match complementary skills and centralize campus project opportunities, including hackathon team formation and portfolio discovery.

[Prototype](#)

ADDITIONAL EXPERIENCE

Functional Consultant Trainee -- RumaSoft Consultancy Dec 2025
ERP implementation firm building Microsoft Dynamics 365 Business Central solutions for client companies

- Gained hands-on exposure to the core functional components of Microsoft Dynamics 365 Business Central during a one-month stint on live client implementations.
- Studied real-world ERP challenges companies face in supply chain and procurement workflows, including blanket order management.
- Observed the functional consulting process end-to-end, from client requirement discussions to system configuration.

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Event Lead / Coordinator -- GDGoC ICEM 2025 -- Present

- Planned and coordinated technical events, workshops, and community activities for a 500+ member developer community, collaborating across logistics, content, and outreach.

Organizing Team Member -- GDGoC WOW Pune 2026 Pune, India

- WOW Pune** — Pune's **largest** student developer conference organized *by students, for students*.
- Supported on-ground event execution, attendee flow coordination, and live check-in operations.
- Assisted with venue setup, AV hardware checks, and speaker hospitality throughout the event schedule.

Builder & Hackathon Finalist -- Collegiate & Regional Hackathons Pune

- Built and pitched functional full-stack prototypes from scratch.
- Presented the ClauseIQ concept to judges, defending architecture and privacy design choices under time pressure.

CERTIFICATIONS

Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate -- Oracle, 2025
Oracle Cloud Infrastructure 2025 Certified Generative AI Professional -- Oracle, 2025

INTERESTS

Art & Design, Entrepreneurship
